Background:

Bushmills Irish Whiskey launched the latest edition to the Bushmills Range in 2017 – Bushmills Red Bush. An approachable Irish whiskey, Bushmills Red Bush is a smooth blend of triple distilled Irish single malt and fine Irish grain whiskey. Matured exclusively in Bourbon casks Red Bush has notes of toasted oak, caramel and vanilla.

Black Bush, in comparison, has been an icon of Irish whiskey for decades. A blended whiskey with a high malt content and strong influence from sherry casks, Black Bush delivers dark fruity notes and a nutty character.
